CAPITOL AREA REENTRY PROGRAM

OUR MISSION:
TO CHANGE THE NARRATIVE OF REENTRY AMONGST HEALTH/WELLNESS AND
SOCIAL/ECONOMIC JUSTICE ISSUES

[2021 ANNUAL REPORT]

Capitol Area Reentry Program's (CARP) **"Be Safe"** Syringe Service Program is a harm reduction initiative which takes a holistic approach inclusive of Peer engagement, sterile syringe access, sharps disposal, education and linkage to rehabilitative and supportive services. We also use our program as an outreach tool to encourage Persons Who Inject Drugs (PWID) to be screened for HIV, HCV and STIs and we provide linkage to care with our own Medical Director at Aspire Health.

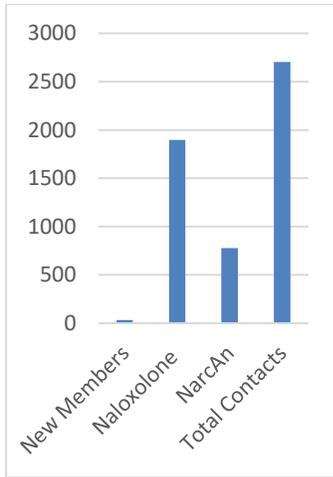

Summary

In 2021, CARP provided harm reduction services to men and women living in the city of Baton Rouge and the surrounding areas. CARP distributed 11,353 "Be Safe" kits to PWID, which is about 3,000 more than last year despite the loss of the Mobile Unit for 8 months out of the year. The last quarter of the year a personal vehicle was used one day a week to be in a specific place around Baton Rouge to serve those in need, who cannot make it to the office.

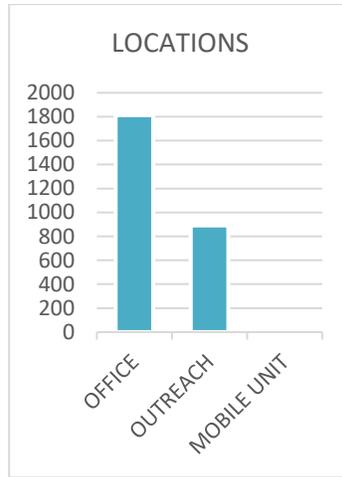

We distributed 8622 Naloxone/NarcAn doses, despite a shortage of NarcAn spray in the country & state. We were able to give out that many doses, thanks to donations from other states. Unfortunately, overdoses in Louisiana increased in 2021 along with the rest of the country, a continued supply of Naloxone and harm reduction services will help slow the rate of overdoses. We also distributed over 33,000 condoms by means of Condom Sites, Mobile Unit, Outreach and access at the Main Office.

This report includes data related to Capitol Area Reentry Program's Be Safe Syringe Service Program. The data reflects the total number of Be Safe kits, Naloxone and/or NarcAn spray that we distributed in 2021. The data also reflects the age ranges, gender, race, demographics we serve, along with distribution locations that include the Main Office Tues-Thurs 9:30-3, Afterhours @ Main Office Mon & Fri 5-8, rural outreach, Mobile Unit/Mobile & Gate Keepers
